Introduction

We would like to invite you to take part in the first ever North East Regional Conference for HLTAs.

The conference is an opportunity for HLTAs from across the North East region to meet, share good practice and help define the further development of the role of HLTA across all phases of education.

The conference will be opened by Dr Gillian Tricoglus, the HLTA Project Manager for the North East, Yorkshire and Humberside and the keynote speaker will be Mr Howard Kennedy, Director of Change at the Training & Development Agency.

There will be further inputs from Karen Knowles, a Personal Effectiveness Coach, and Phil Andre, who will share practical ideas on promoting diversity and inclusion.
